High Valyrian Dictionary

highvalyriantranslators.com

A reference of 400 High Valyrian words with parts of speech, English meanings, and Classical pronunciation (IPA).

All entries are sourced from the official High Valyrian dictionary maintained on The Languages of David J. Peterson wiki (wiki.languageinvention.com) — the published language created by David J. Peterson for Game of Thrones and House of the Dragon. No words have been invented for this dictionary; every entry is attested in the source.

Compiled September 2026. For personal and educational use.
